### EXPERIENCE

#### WinWinTravel | React Frontend Developer (intern) | 02.2024 - 08.2024

Development of an international booking platform. My role was to build the client side using technologies such as **React**, **ChakraUI**, **i18n**, **zustand**.

- fixed the code to improve optimisation and speed.

#### Freelance work | Landing pages layout, web application | 12.2023-until now

I do custom layout using **HTML**, **CSS**, **Sass**. I also create web applications from scratch using **MEVN** stack.

- made layouts for the **dot.agency** website

#### Development of joint commercial projects | 01.2023-until now

I am working on my own projects such as **SyntaxWave Digital**, **FindYourCocktail**, **InEnglish**, **HeardByTheWorld**, which are used by people and will be monetised in the future.
